

# ELECTION EVE 2022

## PRAYER GUIDE

“...but the people who know their God shall stand firm and take action.” Daniel 11:32b

### PRAY FOR RELIGIOUS FREEDOM

Heavenly Father, You are the author of all things, and that includes our liberty. Thank You for the Founding Fathers who recognized that these rights are not created by man or not created by government, but they come from You. Help us not to be complacent with Your Word and the freedoms you have given to us. We pray that there would be an awareness of this truth among those we elect to represent us in our government, that there would be a new respect and appreciation for the importance of religion in our nation's life, and that rather than undermining or restricting religious liberty, religious freedom would flourish. God, we pray for those facing attacks for taking your word seriously and living authentic Christian lives. Give them strength and wisdom.

Galatians 5:13, 2 Corinthians 3:17, John 15:19-20

### PRAY FOR FAMILIES

Lord, thank You for designing family, and I thank you for the role that You've given to parents to nurture their children and raise them up in the fear and admonition of You. Lord, I pray for policies to be advanced on Election Day that protect marriage, empower parents, and strengthen the family. We pray we will elect leaders who understand the specific authorities You have entrusted to the church, family, and government. Help every Christian who goes to the polls tomorrow to remember Your plan for the family.

Psalms 139:13-14, Proverbs 22:6, Genesis 2:23-24

### PRAY FOR FEDERAL, STATE AND LOCAL ELECTIONS

As we go out and vote, Lord, let us cast our ballot based upon You as the truth, You as the way, You as the giver and guarantor of life. We ask for wisdom and discernment to do what is right by You, for the good of this incredible nation that You have blessed us with. May we vote for the candidates and ballot measures that will protect the liberties and freedoms for future generations, for our children and our grandchildren.

Almighty God, I pray for every leader who will be elected in Washington D.C., the statehouse, and in my local community that they would come to know the true wisdom that comes only from You. May the hearts of government leaders be humbled, that they would fear You, Lord, above all and seek You in prayer and in scripture to know how to handle the important issues of our day.

Psalms 2:10-11, Proverbs 11:14, 1 Timothy 2:1-5; 8, Hebrews 11:6, Deuteronomy 30:19

Lord, we thank You for the privilege and responsibility we have to vote. We rejoice today that we are citizens of Your kingdom. May that motivate us to be faithful citizens on earth. Amen.
