

- Vote **NO** on Issue 1 -

Issue 1 is one of the most radical abortion expansions in Ohio’s history. It enshrines the killing of preborn infants at any age, by any method, for any reason as a constitutional right while outlawing commonsense restrictions.

a YES vote will

Remove all limits on abortion and prevents commonsense controls from ever being applied.

Give control to abortionists on the decision of when to protect preborn infants.

Block parents from any Constitutional authority over whether their children receive abortion services or contraception.

Strip preborn infants of all human rights.

Allow young children to get irreversible gender transition treatment and surgeries without their parents knowing.

a NO vote will

Keep abortion legal in Ohio but enable the state legislature to enact commonsense controls in certain circumstances.

Empower Ohio’s elected lawmakers to pass legislation determining when to protect preborn infants.

Keep parents included in the medical care of their minor children.

Protect the human rights of preborn infants from 22 weeks’ gestation and beyond.

Allow parents to participate in the medical and mental health decisions of their minor children.
