LIFE & ABORTION

DEMOCRAT

"We will appoint U.S. Supreme Court justices and federal judges who... will respect and enforce foundational precedents, including...

Roe v. Wade... Democrats believe every woman should be able to access high quality reproductive health care services, including safe and legal abortion. We oppose and will fight to overturn federal and state laws that create barriers to women's reproductive health and rights..."

LIBERTARIAN

"Recognizing that abortion is a sensitive issue and that people can hold good-faith views on all sides, we believe that government should be kept out of the matter, leaving the question to each person for their conscientious consideration."

REPUBLICAN

"Foremost among those 'The Constitution's guarantee that no one can 'be deprived of life, liberty or property' deliberately echoes the Declaration of Independence's proclamation that 'all' are 'endowed by their Creator' with the inalienable right to life. Accordingly, we assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed. We support a human life amendment to the Constitution and legislation to make clear that the Fourteenth Amendment's protections apply to children before birth."

For you formed my inward parts; you knitted me together in my mother's womb. I praise you, for I am fearfully and wonderfully made. Wonderful are your works; my soul knows it very well. My frame was not hidden from you when I was being made in secret, intricately woven in the depths of the earth.
(Ps 139:13-15)

MARRIAGE & SEXUALITY

DEMOCRAT

"Democrats applaud this year's U.S. Supreme Court decision that made clear that employment discrimination based on sexual orientation and gender identity violates the law, but we know we still have work to do to ensure LGBTQ+ people are treated equally under the law and in our society. We will fight to enact the Equality Act and at last outlaw discrimination against LGBTQ+ people in housing, public accommodations, access to credit, education, jury service, and federal programs. We will work to ensure LGBTQ+ people are not discriminated against when seeking to adopt or foster children, protect LGBTQ+ children from bullying and assault, and guarantee transgender students' access to facilities based on their gender identity... Democrats will... ban harmful 'conversion therapy' practices. We will ensure that all transgender and nonbinary people can procure official government identification documents that accurately reflect their gender identity."

LIBERTARIAN

"Government does not have the authority to define, promote, license, or restrict personal relationships, regardless of the number of participants. Consenting adults should be free to choose their own sexual practices and personal relationships. Until such time as the government stops its illegitimate practice of marriage licensing, such licenses must be granted to all consenting adults who apply."

REPUBLICAN

"Foremost among those institutions is the American family. It is the foundation of civil society, and the cornerstone of the family is natural marriage, the union of one man and one woman... [We oppose the imposition of] a social and cultural revolution upon the American people by wrongly redefining sex discrimination...reshap[ing]... our entire society— to fit the mold of an ideology alien to America's history and traditions."

So God created man in his own image, in the image of God he created him; male and female he created them. (Gen 1:27)

IMMIGRATION

DEMOCRAT

"Democrats support policies and programs to make it easier for qualified immigrants and their families to become full and equal citizens, including increasing funding for culturally appropriate immigrant inclusion and citizenship services, legal support, English classes and bilingual education, workforce development, and adult education. Democrats believe it is long past time to provide a roadmap to citizenship for the millions of undocumented workers, caregivers, students, and children who are an essential part of our economy and of the fabric of our nation."

LIBERTARIAN

"Political freedom and escape from tyranny demand that individuals not be unreasonably constrained by government in the crossing of political boundaries. Economic freedom demands the unrestricted movement of human as well as financial capital across national borders."

REPUBLICAN

"Our party is the natural home for those who come in search of freedom and justice. We welcome all to the Great Opportunity Party. The greatest asset of the American economy is the American worker. Our immigration system must protect American working families and their wages, for citizens and legal immigrants alike, in a way that will improve the economy."

"Render true judgments, show kindness and mercy to one another, do not oppress the widow, the fatherless, the sojourner, or the poor... (Zec 7:9-10) Let every person be subject to the governing authorities. For there is no authority except from God, and those that exist have been instituted by God... (Rom 13:1-3)

RACISM

DEMOCRAT

"We must heal our nation's deepest wounds, not fan the flames of hate. Democrats will root out structural and systemic racism in our economy and our society, and reform our criminal justice system from top to bottom, because we believe Black lives matter... We will give hate no safe harbor. We will never amplify or legitimize the voices of bigotry, racism, misogyny, anti-Semitism, Islamophobia, or white supremacy. Democrats will protect and promote the equal rights of all our citizens—women, LGBTQ+ people, religious minorities, people with disabilities, Native Americans, and all who have been discriminated against in too many ways and for too many generations. We commit ourselves to the vision articulated by Frederick Douglass of "a Government founded upon justice, and recognizing the equal rights of all."

LIBERTARIAN

"Libertarians embrace the concept that all people are born with certain inherent rights. We reject the idea that a natural right can ever impose an obligation upon others to fulfill that "right." We condemn bigotry as irrational and repugnant. Government should neither deny nor abridge any individual's human right based upon sex, wealth, ethnicity, creed, age, national origin, personal habits, political preference, or sexual orientation."

REPUBLICAN

"We denounce bigotry, racism, anti-Semitism, ethnic prejudice, and religious intolerance. Therefore, we oppose discrimination based on race, sex, religion, creed, disability, or national origin and support statutes to end such discrimination. As the Party of Abraham Lincoln, we must continue to foster solutions to America's difficult challenges when it comes to race relations today. We continue to encourage equality for all citizens and access to the American Dream. Merit and hard work should determine advancement in our society, so we reject unfair preferences, quotas, and set-asides as forms of discrimination. Our ranks include Americans from every faith and tradition, and we respect the right of each American to follow his or her deeply held beliefs."

There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus. And if you are Christ's, then you are Abraham's offspring, heirs according to promise. (Gal 3:28-29)

HEALTHCARE

DEMOCRAT

"We must guarantee health care not as a privilege for some, but as a right for every single American. For a century, Democrats have fought to secure universal health care."

LIBERTARIAN

"We favor a free market health care system. We recognize the freedom of individuals to determine the level of health insurance they want (if any), the level of health care they want, the care providers they want, the medicines and treatments they will use and all other aspects of their medical care, including end-of-life decisions. People should be free to purchase health insurance across state lines."

REPUBLICAN

"Any honest agenda for improving healthcare must start with repeal of the dishonestly named Affordable Care Act... It has driven up prices for all consumers. Their insurance premiums have dramatically increased while their deductibles have risen about eight times faster than wages in the last ten years... It must be replaced with an approach based on genuine competition, patient choice, excellent care, wellness, and timely access to treatment."

Is anyone among you suffering? Let him pray... Is anyone among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord. And the prayer of faith will save the one who is sick, and the Lord will raise him up... (Jas 5:13)

RELIGIOUS FREEDOM

DEMOCRAT

"Democrats celebrate America's history of religious pluralism and tolerance, and recognize the countless acts of service of our faith communities, as well as the paramount importance of maintaining the separation between church and state enshrined in our Constitution."

LIBERTARIAN

"We support full freedom of expression and oppose government censorship, regulation, or control of communications media and technology. We favor the freedom to engage in or abstain from any religious activities that do not violate the rights of others. We oppose government actions which either aid or attack any religion."

REPUBLICAN

"We value the right of America's religious leaders to preach, and Americans to speak freely, according to their faith. Republicans believe the federal government, specifically the IRS, is constitutionally prohibited from policing or censoring speech based on religious convictions or beliefs... We pledge to defend the religious beliefs and rights of conscience of all Americans and to safeguard religious institutions against government control... [W]e strongly support the freedom of Americans to act in accordance with their religious beliefs, not only in their houses of worship, but also in their everyday lives."

So if the Son sets you free, you will be free indeed. (Jn 8:36)

NATIONAL SECURITY

DEMOCRAT

"Democrats believe that we can only be strong in the world when we are strong and united at home. We believe that a healthy democracy, just society, and inclusive economy are essential prerequisites for effective American leadership abroad. And we believe that the ultimate measure—and purpose—of our foreign policy is whether it protects and advances America's security, prosperity and values—and delivers results for all Americans... We will ensure that our military has no peer... And, most importantly Democrats will ensure that the reinvention of American leadership abroad prioritizes and accelerates our renewal at home. We will root a disciplined foreign policy in the needs and aspirations of the American middle class and the imperative of building a more dynamic, fair, and resilient society—the ultimate wellspring of our power."

LIBERTARIAN

"We support the maintenance of a sufficient military to defend the United States against aggression. The United States should both avoid entangling alliances and abandon its attempts to act as policeman for the world. We oppose any form of compulsory national service."

REPUBLICAN

"We are the party of peace through strength... Tyranny and injustice thrive when America is weakened. The oppressed have no greater ally than a confident and determined United States, backed by the strongest military on the planet... We affirm our party's tradition of world leadership established by President Eisenhower and followed by every Republican president since. It stands for enormous power – and the prudence to use it sparingly, precisely, and only in grave necessity. It stands for involvement, not intervention. It requires consultation, not permission to act. It leads from the front – and ensures all others do their parts as well. It embraces American exceptionalism and rejects the false prophets of decline and diminution."

Blessed be the Lord, my rock, who trains my hands for war, and my fingers for battle...(Ps 144:1)

EDUCATION

DEMOCRAT

"As Democrats, we believe that education is a critical public good—not a commodity—and that it is the government's responsibility to ensure that every child, everywhere, is able to receive a world-class education that enables them to lead meaningful lives, no matter their race, ZIP code, disability status, sexual orientation, gender identity, or household income..."

LIBERTARIAN

"Education is best provided by the free market, achieving greater quality, accountability, and efficiency with more diversity of choice. Recognizing that the education of children is a parental responsibility, we would restore authority to parents to determine the education of their children, without interference from government. Parents should have control of and responsibility for all funds expended for their children's education."

REPUBLICAN

"Parents are a child's first and foremost educators, and have primary responsibility for the education of their children. Parents have a right to direct their children's education, care, and upbringing. We support a constitutional amendment to protect that right from interference by states, the federal government, or international bodies such as the United Nations. We reject a one-size-fits-all approach to education and support a broad range of choices for parents and children at the state and local level."

And these words that I command you today shall be on your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise. (Dt 6:6-7) Train up a child in the way he should go; even when he is old he will not depart from it. (Prv 22:6)

ECONOMY

DEMOCRAT

"Democrats will forge a new social and economic contract with the American people—a contract that creates millions of new jobs and promotes shared prosperity, closes racial gaps in income and wealth, guarantees the right to join or form a union, raises wages and ensures equal pay for women and paid family leave for all, and safeguards a secure and dignified retirement."

LIBERTARIAN

"A free and competitive market allocates resources in the most efficient manner. Each person has the right to offer goods and services to others on the free market. The only proper role of government in the economic realm is to protect property rights, adjudicate disputes, and provide a legal framework in which voluntary trade is protected. All efforts by government to redistribute wealth, or to control or manage trade, are improper in a free society."

REPUBLICAN

"Government cannot create prosperity, though government can limit or destroy it. Prosperity is the product of self-discipline, enterprise, saving and investment by individuals, but it is not an end in itself. Prosperity provides the means by which citizens and their families can maintain their independence from government, raise their children by their own values, practice their faith, and build communities of cooperation and mutual respect. It is also the foundation for our nation's global leadership, for it is the vigor of our economy which makes possible our military strength and our national security."

For the love of money is a root of all kinds of evils. (1 Tm 6:10) But if anyone does not provide for his relatives, and especially for members of his household, he has denied the faith and is worse than an unbeliever. (1 Tm 5:8)

SOCIAL SECURITY

DEMOCRAT

"We will enact policies to make Social Security more progressive, including increasing benefits for all beneficiaries, meaningfully increasing minimum benefit payments, increasing benefits for long-duration beneficiaries, and protecting surviving spouses from benefit cuts. Democrats will reject every effort to cut, privatize, or weaken Social Security, including attempts to raise the retirement age, diminish benefits by cutting cost-of-living adjustments, or reduce earned benefits. We will ensure Social Security will be there forever."

LIBERTARIAN

"Retirement planning is the responsibility of the individual, not the government. Libertarians would phase out the current government-sponsored Social Security system and transition to a private voluntary system."

REPUBLICAN

"...we accept the responsibility to preserve and modernize a system of retirement security forged in an old industrial era beyond the memory of most Americans. Current retirees and those close to retirement can be assured of their benefits. Of the many reforms being proposed, all options should be considered to preserve Social Security. As Republicans, we oppose tax increases and believe in the power of markets to create wealth and to help secure the future of our Social Security system. Saving Social Security is more than a challenge. It is our moral obligation to those who trusted in the government's word."

A good man leaves an inheritance to his children's children: and the wealth of the sinner is laid up for the just. (Proverbs 13:22)

ISRAEL

DEMOCRAT

"Democrats recognize the worth of every Israeli and every Palestinian. That's why we will work to help bring to an end a conflict that has brought so much pain to so many. We support a negotiated two-state solution that ensures Israel's future as a Jewish and democratic state with recognized borders and upholds the right of Palestinians to live in freedom and security in a viable state of their own. Democrats oppose any unilateral steps by either side—including annexation—that undermine prospects for two states."

LIBERTARIAN

"American foreign policy should seek an America at peace with the world. Our foreign policy should emphasize defense against attack from abroad and enhance the likelihood of peace by avoiding foreign entanglements. We would end the current U.S. government policy of foreign intervention, including military and economic aid. We recognize the right of all people to resist tyranny and defend themselves and their rights."

REPUBLICAN

"Beyond our mutual strategic interests, Israel is likewise an exceptional country that shares our most essential values. It is the only country in the Middle East where freedom of speech and freedom of religion are found. Therefore, support for Israel is an expression of Americanism, and it is the responsibility of our government to advance policies that reflect Americans' strong desire for a relationship with no daylight between America and Israel... We oppose any measures intended to impose an agreement or to dictate borders or other terms, and we call for the immediate termination of all U.S. funding of any entity that attempts to do so. Our party is proud to stand with Israel now and always."

Pray for the peace of Jerusalem! "May they be secure who love you! Peace be within your walls and security within your towers!" For my brothers and companions' sake I will say, "Peace be within you!" For the sake of the house of the Lord our God, I will seek your good. (Ps 122:6-9)

SECOND AMENDMENT

DEMOCRAT

"Democrats will enact universal background checks, end online sales of guns and ammunition, close dangerous loopholes that currently allow stalkers and some individuals convicted of assault or battery to buy and possess firearms, and adequately fund the federal background check system. We will close the 'Charleston loophole' and prevent individuals who have been convicted of hate crimes from possessing firearms. Democrats will ban the manufacture and sale of assault weapons and high capacity magazines. We will incentivize states to enact licensing requirements for owning firearms and 'red flag' laws that allow courts to temporarily remove guns from the possession of those who are a danger to themselves or others. We will pass legislation requiring that guns be safely stored in homes. And Democrats believe that gun companies should be held responsible for their products, just like any other business, and will prioritize repealing the law that shields gun manufacturers from civil liability."

LIBERTARIAN

"We affirm the individual right recognized by the Second Amendment to keep and bear arms, and oppose the prosecution of individuals for exercising their rights of self-defense. Private property owners should be free to establish their own conditions regarding the presence of personal defense weapons on their own property. We oppose all laws at any level of government restricting, registering, or monitoring the ownership, manufacture, or transfer of firearms or ammunition."

REPUBLICAN

"We uphold the right of individuals to keep and bear arms, a natural inalienable right that predates the Constitution and is secured by the Second Amendment. Lawful gun ownership enables Americans to exercise their God-given right of self-defense for the safety of their homes, their loved ones, and their communities... We support firearm reciprocity legislation to recognize the right of lawabiding Americans to carry firearms to protect themselves and their families in all 50 states. We support constitutional carry statutes and salute the states that have passed them. We oppose ill-conceived laws that would restrict magazine capacity or ban the sale of the most popular and common modern rifle. We also oppose any effort to deprive individuals of their right to keep and bear arms without due process of law."

Wisdom is better than weapons of war, but one sinner destroys much good. (Eccl 9:18)

ENVIRONMENT

DEMOCRAT

"Climate change is a global emergency. We have no time to waste in taking action to protect Americans' lives and futures we believe the scientists: the window for unprecedented and necessary action is closing, and closing fast... We will use federal resources and authorities across all agencies to deploy proven clean energy solutions; create millions of family-supporting and union jobs; upgrade and make resilient our energy, water, wastewater, and transportation infrastructure; and develop and manufacture next-generation technologies to address the climate crisis right here in the United States... We will rejoin the Paris Climate Agreement and, on day one, seek higher ambition from nations around the world, putting the United States back in the position of global leadership where we belong."

LIBERTARIAN

"Competitive free markets and property rights stimulate the technological innovations and behavioral changes required to protect our environment and ecosystems. Private landowners and conservation groups have a vested interest in maintaining natural resources. Governments are unaccountable for damage done to our environment and have a terrible track record when it comes to environmental protection. Protecting the environment requires a clear definition and enforcement of individual rights and responsibilities regarding resources like land, water, air, and wildlife."

REPUBLICAN

"Conservation is inherent in conservatism. As the pioneer of environmentalism a century ago, the Republican Party reaffirms the moral obligation to be good stewards of the God-given natural beauty and resources of our country. We assert that private ownership has been the best guarantee of conscientious stewardship, while some of the worst instances of degradation have occurred under government control."

Then God said, "Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth." (Gen 1:26)
